

## Naches Lions Club

### February 2026 Newsletter

#### **Sportsman's Days Chair Recruitment**

A public event will be held on March 4th at the Depot at 6:30 pm to address our need for chairs for this year's Sportsman's Days. We are looking to have three chairs to oversee the various components of the event: two Lions and one non-Lion community member. If you would like to be involved in Sportsman's Days this year, please attend this event and learn more about how you can participate. This is a community event and it takes all of us to make it happen!

#### **February Dinner**

This month's potluck dinner will be on Wednesday, February 25th at 6:30 pm at the Naches Fire Station. A representative from the Department of Natural Resources will be our speaker.

#### **Survey**

Is the time of our board meeting prohibitive for you to serve as a board member (or even to attend a meeting)? We would like to hear about it! A *very* brief survey is included with the email for those who receive this newsletter digitally. For those who receive this newsletter via mail, enclosed is a copy of the survey. Complete it and submit it at the next dinner meeting or mail it to the Lions PO Box (PO Box 488).

#### **Work Day**

A handful of Lions will be meeting at the Lions Den on Saturday, February 21st at 8:00 am to do work on inventory, organizing, and cleaning. If you are free and able, come on down!

#### **Pickleball Court Benches**

Thanks to the Naches Lions Club, there are two new benches at the pickleball courts. There is also a new bench just west of the Depot in honor of Shayne Downing. Thank you Lion Ron Freeze for making this project happen!
