Lions Dinner and a Speaker 2/28/19

As I changed the heading from January to February, looking out the window January describes the weather outside better than February. Anyhow as February winds down, it is time for our dinner meeting. This is Lions diabetes awareness month. Our guest speaker on Thursday night will be Kathleen Paganelli from Virginia Mason Memorial Hospital. She is part of their diabetes education program. She bring a very interesting program. Diabetes awareness is again one of Lionism goals this year. Also at the meeting will be several future club members. So come to dinner, meet and greet new people, learn about diabetes, and enjoy a great meal. Dinner starts at 6:00 in the Elementary School on the 28th day of February. RSVP to jcgillie53@gmail.com or text 509-910-6418.

March 30

March 30 is set as a date to celebrate 100 years of combined service to the Naches Valley by our Club (70 years) and the Naches Sunshine Club (30 years). The gathering will start at 5:30 at the Howard Johnson Motel on 9th Street. Guest speaker is VDG Patty Allen, she is the past MD 19 Executive Secretary out of the Bellingham Office. Awards including a Melvin Jones Fellow will be awarded. Door Prizes, plenty of fun and fellowship. RSVP to Lion Paul by March 15.

March 23

On the other side of the Yakima Convention Center is the Red Lion Hotel. That is the sight of the gathering of Lions from District F. Friday night's fun night is "An Evening with Mark Twain" Actor Roger Mallon of Reading, Pennsylvania as Samuel Clemens. Saturday is full of Lions meeting, reports, training, and eating. Also Silent Auction and raffles. Lunch is on your own, dinner is a banquet later that night. RSVP March 4.

March 26

First Sportsman's Days Meeting, 6:30 at the Depot. This marquee club project takes a lot of organization and volunteers. So let's get

the ball rolling. This committee meets on the last Tuesday of the month.

May 3 and 4

White Cane Days return. Save a few hours that weekend to collect money for the Northwest Sight and Hearing Foundation.

May 11

Naches Fun Run, Jog, Walk, Bike event at Depot Park. Contact Lion Gail for methods of helping with this. Also on that Saturday is a Zone Picnic, well Zone 1 and 2 in Selah.

March 19

Is the next board meeting. At the last board meeting we approved glasses and exams for three students. Donated \$150 to a Selah student towards a learning adventure with the Lions Exchange Program to Italy. 2/3 of the members have paid dues, come on other third! Dues were paid on the Lion's Den. **When warmer weather arrives**, Lions Patty and Lesley will wash windows and remove Valentine's Day paintings, and Lions Bill and Johns will haul the last load of wood.

Lions will March in March!

Made it to the end of the page. Calendar on back or next page.
