August Brings

For a month without real holidays in it, August sure brings in a lot of things. August brings the ringing of school bells and the change in speed limits in school zones. August brings one of the first fall festivals of the county, Sportsman's Days. August brings a visit from our District Governor Ken Allan. August brings our dinner meeting at the Elementary School on the 29th starting at 6:00. So put off your Labor Day trip until Friday and enjoy a good meal and fellowship with the Lions Club. Please RSVP, we got a good count from members at the board meeting.

Doors Are Up

The meeting room at the Deli now has doors. This makes for a quieter meeting. Thank you to Lion Ron for doing all the planning on this project. I understand Lions Bill Davis and John Miles helped getting the doors up on Saturday.

Sportsman's Day

The Sportsman's Day Planning Committee will have its last meeting on August 27, 6:30 at the Depot. Several committees need several members to help. Sign-up sheet was sent out via email and has been passed around at the last two meetings. Lots of areas to help, the parade, crossing guards, bank, fishing derby, garbage haulers, restroom and table cleaners just to name a few.

Fun Run

Two weekends after Sportsman's Days, September 21st is the next Fun Run. Lions are needed to direct runners and traffic. The day starts around 9:00 and finishes when all the runners finish. If you can't make this one the next run is December 7.

55

The West Valley Lions are celebrating 55 years of service to the West Valley community. The celebration will be held on September 28, 6:30 at the Howard Johnson's on 9th Street in Yakima. Dinner is \$23, RSVP by September 24 to Lion Bill Shepherd. LIONSRUS001@msn.com

Dinner in the Dark

ZC Chris Babin will make his official visit at our dinner meeting in September. He will also talk about Dinner in the Dark. ZC Chris will explain DID and outline the help he needs. This is a major fundraiser for VIC. (Vision for Independence Center) <https://www.vicyakima.org/about-us/>
