## Evening Meeting Approaches

With the possibility of the fire station being unavailable this month due to the forest fire our evening meeting will be held indoors at Bron Yr Aur. The meeting will start at 6:30, on Wednesday, September 22. Evening meetings have been changed to the fourth Wednesday's, avoids confusion with months containing a fifth. It also frees us up to do a good deed for the Selah Valley Lions. See everyone Wednesday. Several guest will be at the meeting that expressed a desire to join the Club at Sportsman's Days. PZC Chris Babin will be our guest speaker and will update us about the Vision for Independence Center. (VIC) PZC (Past Zone Chairperson)

### Sportsman's Days 2021

SD 2021 was a rousing success. Lions Lesley, Shayne, Sara, and Ron put in countless hours planning and carrying out the event. Close to 20 Lions helped in one way or another. We had plenty of help from Zone F1 clubs, ZC Tammy and DG Melissa helped and made this her official visit of our club. The bouncy houses were a wonderful addition. It was fun to watch all the kids having fun at the games near the Depot. As well it was great seeing kids digging in Hay for money in the straw. Thank You Lion Ron. Lion Lyons organized another great parade with limited planning time and few last minute cancellations. The Andersons kept the bathrooms clean and supplied. Lion Daniel Wade was on sight most of the weekend and helped out in many jobs. Lion John Morrison with the stage loading and unloading and hauling garbage. Lion Aaron did a wonderful job running Bingo. Many more Lions helped. Planning for 2022 starts with a critique of 2021 on September 23, 6:00 Location TBA.

### Stalking Naches

On October 2 we will gather to start to stalk the Town of Naches. We cut and gather corn stalks and tie them to the phone poles downtown. This gives the city a festive fall look.

### Bowling

The Zone sponsors a bowling league at Eagle Lanes on Saturdays starting October 2. We need to supply scorers. If you have scored, sign up. If you haven't scored before, you'll be paired up with an

experienced scorer. Dates are available October 16, 30. November 13, December 11, January 8, 22, and more.

### Selah Parade for Homecoming

September 29, a Wednesday is homecoming in Selah. Homecoming is kicked off with a parade. Lions are needed to block streets. Meet at the south side of the Selah Civic Center at 5:45 for a street assignment and training. Email me to sign up and I'll pass your name to Selah or email ZC Tammy Allan directly...

### Board notes:

A committee was appointed to look into continuing Christmas boughs across the streets. The Prime Time cabin needs to be winterized in October. Hot Dogs need to be given away that month and a wood raffle winner determined. A Zoom Zone meeting is online for October 4. Watch for a link in a future email.
