Merry Christmas and Happy New Year!

It's beginning to look a lot like Christmas! Downtown Naches looks wonderful! A special thank you to Mary Kinter and all who helped decorate. A thank you also goes to John and Marcia Anderson for organizing another successful year of bell ringing for the Salvation Army. Good work, Lions, in making this a merry Christmas for our community!

Here we are at the end of 2024! Thank you for the work you have put in this last year. A merry Christmas and happy new year to each one of you!

SUGi Forest Informational Meeting

Last month we began the conversation of planting a SUGi forest. What is a SUGi forest? How much work will this take? What will it cost? What is the Miyawaki method? These are great questions! In January, in lieu of our dinner meeting, we will be having a special informational meeting about this project. This meeting is for Lions and the community at large who would like to know more and learn how to participate in making this project a reality. The meeting will be January 22nd at 6:30 pm at the Elementary School.

Camp Prime Time Christmas Tree Recycling

Camp Prime Time recycles Christmas trees as a winter fundraising effort. They begin receiving trees on December 26th at the John Deere dealership on Fruitvale. They are looking for volunteers to receive trees and collect donations. If you are interested in participating, please contact Patty Best at (509)969-4039.

2025 High School Speech Contest

The 2025 High School Speech contest will be on March 27th at 6:30pm. The topic is "My Solution to Homelessness". All Naches and Highland students are invited to participate!
