No Zoom Evening Meeting in September

We have been invited to the Downing's (Lions Lesley and Shayne) for a dinner gathering on September 24. The gathering is at 6:00 at 13733 Old Naches Highway. No agenda, no minutes, and no notes. It will be just a fun gathering. Bring a dish to share, see Lion President's letter for more information. Please RSVP to Lion Lesley lesleydowning@gmail.com or 509-929-2872

Evan's Canyon Fire

A committee has been formed to gather and distribute funds to families that have been affected by that fire. Six families have reported losses. This committee will be an ongoing committee and ready for the next disaster. Thank you Lion Lyons for chairing this multi-club committee.

Stalking Naches for the Fall

A few years ago we started a project to stalk Naches. It really gives downtown a festive look for the fall. Lion Lesley reports to bring gloves ... machetes ... loppers, choppers, brooms and dustpans for clean-up. Will also need a few pickup trucks ... Shayne's truck will be hunting so she won't have a truck. She will have some breakfast munchies for everyone of course because she goes nowhere without snacks. Meet October 3, at 8:00 at the Allan Brother's cornfield.

Would Raffle

Would you like some wood raffle tickets to sell or buy? Lions Shayne and Lesley have the tickets the drawing will be held on October 31st at the Bandstand. Tickets are only \$1.00 each. I am taking the money I generally spend on Sportsman's days buttons and buying raffle tickets.

Halloween Dogs

Speaking of October 31, we are still planning on giving away hot dogs and drinks on Halloween. The Health Department will okay the event if we use proper social distancing and COVID 19 standards.

Litter Patrols

Lion President John and Lion Marcia are picking up litter on the Greenway. Other Lions can join them or pick another day to patrol the Greenway. This is an official Lions project and a good way to keep the Greenway clean and gain some fitness points.

Sportsman's Days Critique Meeting

The Sportsman's Days critique meeting scheduled for September 29 has been postponed to the last Tuesday of September of 2021. And will be combined with the 2021 critique.

Board notes

The club will endorse VIC's request for a grant from the Northwest Lions Foundation. The Club accepted the membership of Scott Klepach, sponsored by Lion Andrew. Budgets are set for the year and the administrative account is in good shape. October meetings will continue to be conducted on Zoom.

October Fun
