## January Dinner Meeting at Sticky Fingers

The New Year brings a new location for dinner meetings for the first two meetings. The board voted in November to change things up a bit and try two meetings at Sticky Fingers. Our program will feature our own Lion Lyons, with a slide show of his recent trip to China. Lion Secretary has a buildup of awards to disseminate Thursday Night. SO, January 25, at Sticky Fingers 6:00. Please rsvp, ASAP. Thanks

### Bell Ringing for Salvation Army

Lion Welch served as chairperson for our Bell Ringing project at Bi-Mart. She provided coffee, cookies, heat, and music for workers. \$520.59 was brought in on those two Saturdays. Thank you to Lions John and Marcia Anderson, McGowan, Culton, Gillie Heath, Cowan, Urlacher, K.Freeze, R.Freeze, Kauzlarich, Morrison, and Welch. We will work the same spot this Christmas.

### Christmas Decorations

Christmas boughs are up and down. They looked sharp during the season. Thank you to the crew of 11 that worked Saturday in December also to the crew that took them down last Saturday. Also thank you to Big Sky Tree Service Adam and Jim for hanging and unhangng the greens.

### Other Christmas Activities

Lion Don and Patty went shopping with two youths as part of Salvation Army Project 300. Lions Ted, Paul, Ron, and Heath helped deliver senior Christmas baskets, a Sunshine Lions project.

### Ready to Serve?

It is time to look for nominations for Club Officers. The election needs to be held on or before our Dinner meeting in April. The nomination committee consists of Past Presidents Ron and Jim and current president Aaron. Lion Treasurer is retiring at the end of his current term, and there's no way of continuing to twist his arm to stay on. So anyone with an eye for figures, should contact the nomination committee soon so Lion

McGowan can share his bookkeeping system. The Zone is looking for a Zone Chairman and that election takes place at the District F conference in March.

### Newspaper Recycling

Lion Dan Sperry and his team continue to do a fantastic job hauling the newspapers to Yakima. Lions need to remember to haul their newspapers to one of our bins. Bins are located at the West End of Slims and close to the fruit stand in Suntides. Also at Slims is an aluminum can recycling bin sponsored by the Sunshine Lions.

### Board Notes

It was suggested to look into LED lights for the Christmas Decorations. Lion Tamer Dan will bring club paraphernalia to meetings, which are now stored in the Den. Our club banner is full of patches and we have more to add. Banner, what Banner? Lion Ron is going to work with the city and get a plug in for booths on the outside of the electoral building at Depot Park. Lion John Anderson is checking with the Library about a making a new sign for the library. Lion Bill reports the Health Screening Van will be in town on April 16-17. Lion Wade will check out our PA system, speakers and mics to see if they will work together. Indian John Hill June 8-11
