

## Two Meetings, One Week

Next week, we have two Lions Club Meetings. Happens once in a blue moon. First meeting is our board meeting on Tuesday, February 20 at 6:30 AM. This meeting is at Sticky Fingers Bakery and Eatery. The club budget will be the main topic. Last year we did an excellent job selecting, funding, and carrying out a major project of the Veteran's Flagpoles at Depot Park.

The second meeting of the week is our regular dinner meeting held on the last Thursday of the month. The calendar runs out of Thursday next week, so we will meet at 6:00 PM on Thursday, February 21, also at Sticky Fingers. The Naches Valley School Board and Business Manager have asked for some time to speak on school buildings, technology, and national standards. Help Kathy out by sending me an RSVP for the dinner meeting.

### Zone Meeting

If you wish to add another meeting to next week, there is a special Zone Meeting at Shari's in Yakima on Tuesday. It is at 6:30 pm, twelve hours after the start of our board meeting. The purpose of the meeting is to endorse a candidate for District Governor and Zone Chairman.

### Sportsman's Days Planning

Chairperson Lion Gail Welch has announced that Sportsman's Days Planning Committee Meetings will start in March. This committee meets on the last Tuesday of each month at the Depot. Meetings this year will start at 6:30 PM and will last about one hour. First meeting is March 27.

### Indian John Hill

Our weekend to serve coffee, cookies, and tea at the Indian John Rest Stop is June 8-11. We have the east bound station. That is graduation weekend at Central so there should be plenty of traffic. So save time to do a six hour shift or two.

The new group of officers will provide the leadership to take our club into its 70<sup>th</sup> year of service to the Naches Community.

### CARE

FEBRUARY is the month for showing our LOVE for others. Why not make a special donation to CARE? The under privileged girls living in rural & urban areas of southern Peru would appreciate your support. Our donations will help them with further education and can help them have a better life.
