## Final Dinner Meeting (2018) "Let's have some fun"

Our Tailtwister is requesting that we show some Halloween Spirit at our dinner meeting on October 25, 2018. Please wear a mask, Halloween hat or Halloween tee shirt to be entered into a drawing. Also on tap Thursday night is our guest speaker, Bill Razey. Bill is the Director of the Agriculture program at NVHS. He will explain the AG program and is looking for ways our club and his students can work together on a community project. Remember dinner starts at 6:00 in the Den at the Elementary School, park in front. Please RSVP as getting a good count is important for our cook and budget.

### Fun Run

The second annual Naches Fun Run has been determined to be a big success. The race was held October 7, thank you to Lions Ron, Kim, Bill, Patty, Don, Dale, Shayne and Gail. Next year's race is on September 21.

### Save that DATE

March 30 we will be celebrating 100 years of combined service to the Naches Valley by the Naches Lions (70 Years) and Naches Sunshine Lions (30 Years). The event will be a special dinner with speakers and entertainment. Plans are in the works, more details released later.

### SAVE That Weekend

Save six hours or so the weekend of June 7-10. That is our Indian John Hill coffee stop weekend for the year. It is a major fundraiser for our general project fund.

### This Weekend

Just a short reminder that Dinner in the Dark is this weekend. Those signed up to work need to be at the Harmon Center by 4:30. AND on Saturday meet at Allen Brothers to cut and haul corn stalks followed by stalking them in Naches.

Spring Conference is in Yakima, March 22-23. A great gathering of Lions from Central Washington to Idaho. Mark the dates more information the closer we get.

### Annual Halloween Dogs

Directors of the Dogs, Lions Dan and John will be running the Dog show at the Bandstand. Stop by around 4:30 and give them a hand.

### Major Project Meeting

Twelve Lions attended our Major Project Meeting this week. The group brainstormed areas for major projects. Lion Paul, a major project extraordinaire will analyze the data and send out a report.

### Newspaper Recycling

Remember to recycle your newspapers at one of our locations, Slims or Suntides. Part of the recycling money goes into the administration fund as it is thought that members recycle their newspaper. Thank you Lion Dan Sperry and his crew for hauling papers to town twice a month.

### Up Coming FuN

October 20 Dinner in the dark  
October 21 Hang those Corn Stalks  
October 25 Dinner Meeting  
October 31 Halloween Dogs at the stand  
November 13 Noon Meeting
